I take it for granted that every person will dealth in their power, to save the lives of their children, and that every person will endeavor to promote their own health at all sacrifice. I feel it to be my duty to solemnly assure you that WORMS, according to the opinion of the most celebrated Physicians, are the primary causes of a large majority of diseases to which children and adults are liable; if you have an appetite continually changeable from one kind of food to another, Bad Breathy Pain in the Stomach, Picking at the Nose, Hardness and Fultness of the Belly, Bry Cough, Slow Pever, Pulse Irregular—remember that all these denote WORMS, and you should at once apply the remedy:—

Hobensack's Liver Pills. No part of the system is more liable to disease than the LIVER, it serving as a filterer to purify the blood, or giving the proper secretion to the bile; so that any wrong action of the Liver effects the other important parts of the system, and results variously, in Liver Complaint, Jaundice, Dyspensia, &c. An article founded upon scientific Principles, compounded with purely vogetable substances, being perfectly safe when taken, and can be given to the most tender Infant with decided beneficial effect, where Bowel Complaints and Diarrhea have made them weak and dehilitated the Tonic properties of my Worm Syrup are such, that it stands without an equal in the catalogue of medicines, in giving tone and strength to the Stomach, which makes it an Infallible remedy for those afflicted with Dyspepsia, the astonishing cures performed by this with Dyspepsia, the astonishing cures performed by this Syrup after Physicians have falled, is the best evidence of its superior efficacy over all others.

THE TAPE WORM!

This is the most difficult Worm to destroy of all that infest the human system, it grows to an almost Indefinite length becoming so coiled and fastened in the Intestines and Stomach effecting the health so sadly as to cause St Vitus Dance, Fits, &c., that those afflicted seldom if ever suspect that it is Tape Worm hastening them to an early grave. In order to destroy this Worm, a very energetic treatment must be pursued, it would therefore be proper to take 6 to 8 of my Liver Pills so as to remove all obstructions, that the Worm Syrup may act direct upon the Worm, which must be taken in dozes of 2 Tablespoonfults 3 times a day, these directions followed have never been known to fail in curing the most obstinate case of Tape Worm.
